PUBLIC (GENERAL) DEPARTMENT.

With reference to clause (*f*) of question No. 1223 answered in the Legislative Council on the 24th March 1932 and the answer to the supplementary question thereto the following information is placed on the table of the House:—

Enquiries show that besides Mrs. Prabhu and the constables who escorted her to Vellore there were two ladies and three or four men in the compartment when the train left Tellicherry. They alighted at Calicut. Five or six other persons travelled in that compartment from Calicut as far as Shoranur. No other definite information could be obtained as to the number of passengers who travelled from Shoranur to Vellore, but as the compartment was a large one it is probable that there were several.

G. T. H. BRACKEN,
Chief Secretary.
